Christmas Seals

1904 to 1990

Notes on This Album Text

The first Danish Christmas seal was issued in 1904, marking the beginning of a global tradition. The idea came from Einar Holbøll, a Danish postal clerk who later became Postmaster. Moved by the plight of poor children during the holiday season, he proposed selling a special seal—placed alongside postage stamps—to raise funds for charitable purposes.

This concept led to the founding of the Danish Christmas Seal Foundation (Julemærkefonden), which initially focused on combating tuberculosis. Over time, its mission expanded to support vulnerable and socially disadvantaged children. The foundation established sanatoriums and later Christmas Seal Homes, where children receive care, stability, and guidance.

This album presents all Danish Christmas seals issued from 1904 through 1990, along with annual reprints of earlier seals published since 1976. These reprints are arranged by their year of reissue and are clearly marked on the reverse side, including the reissue year. Souvenir sheets—typically issued for philatelic exhibitions and featuring earlier designs—are also included. The stamp booklets introduced in 1982 are likewise documented. However, the large annual sheets containing 50 seals each are not included; due to their size, they are best stored in separate sheet albums.

This album layout was designed for US Letter format. If you're printing on A4 paper, please be sure to disable page scaling in your print settings!

The PDF document can be modified to some extent using standard software tools (e.g., replacing individual text elements or inserting additional pages). If you do not collect the reprints, you can simply skip printing the corresponding pages. To accommodate the specifics of your own collection, a blank page—containing only the border and the name of the collecting area—has been added at the end of the album.

The text has been carefully compiled. Should any minor errors remain, they are entirely unintentional. Your understanding is appreciated.

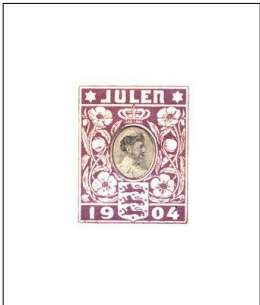

This PDF file is made available to members and friends of the Christmas Seal and Charity Stamp Society.
