

A prayer for a holiday meal

This year's theme for the Capper Foundation Christmas seal.

The Capper Foundation for Crippled children officially began their annual appeal for contributions this month with a 300,000 letter mailing. Drastic supplemental funding from the Federal government have shed a new light on the fund-raising effort and your contributions are needed.

There are 124 persons now served by the Foundation. 38 live at the Foundation in Topeka. The other 86 that includes 38 infants and preschoolers in the early education program, live within driving distance of Topeka and the Foundation.
