

Catholic Xmas Seals Are Sold

Catholic Christmas seals were sold before and after the masses in St. Mary's and St. Alphonsus' churches yesterday for the benefit of Catholic charities in Glens Falls. The seals sold so rapidly that the supply was quickly exhausted and another supply will be obtained for next Sunday. The sale was confined to the church vestibules and no solicitation to buy seals was made outside the churches. This is the first time a seal drive of this nature has been conducted in local Catholic churches.
